ACHILLAS (Plain Petaled). Giant, deep orange-red flowers; showy large vermillion-scarlet throat blotches. Stands out very prominently in the garden.
BEAUTY WAVE (Ruffled). Light canary-yellow. Deeper on lower petals with finely feathered red central bars. Heavily ruffled. Wonderful for the cutting garden.
CLARISE (Plain Petaled). Deep flesh or salmon-pink over entire flower; most portion a soft canary-yellow over-laid with deep salmon-pink markings. Attractive light color.
DAINTY LILY (Plain Petaled). Soft flesh-pink tinted deeper on outer portion of all petals. Throat in lower portion rich soft cream, fading out to a very delicate blush-pink.
DREAM (Ruffled). The large, massive blooms carry a lovely shade of geranium-red. Very showy deep red blotches. A giant plant of heavy texture.
FAIREST PEARL (Plain Petaled). A beautiful delicate cream tinted white with faintest soft yellow on lower petals. Splendid substance, perfect placement, tall plant. Most outstanding white.
FIRE GLOW (Plain Petaled). Most intense, vivid,

glowing scarlet with dark central bars on lower petals. Exceedingly brilliant and showy. Tall grower.
FLORENCE WINTER (Ruffled). Large ruffled creamy white. One of the newest ruffled kinds. Producing several flowers opening at a time. A beauty at a cut spike.
GOLDEN LIGHT (Prim. Grand). Fine, handsome spike with large flowers. Soft, deep yellow upper petals, lower petals much deeper. Both colors blended perfectly. A first class cut spike.
HIGHLAND LADIE (Plain Petaled). Large, massive, beautiful pink upper throat blended to almost white, lower throat deeper pink. Very one variety to include in your planting.
LUSTRE (Plain Petaled). Tall, large flowered orange-vermilion. Grand and beautiful. This is really a most desirable variety.
MCKAYIAN (Ruffled). A wonderful shade of lavender. Throat soft creamy yellow overlaid with fine veins and tracings of purplish-red. Forces admirably making it most desirable.
MRS. FRANK PENDLETON (Plain Petaled). Grand

variety indeed. Bright rose-pink on a pure white ground, with a giant blotch of richest carmine-red on lower petals. Awarded highest honors.
MRS. GEO. W. MOULTON (Plain Petaled). Violette rose or cerise color. Shipped throat. Grows very tall and makes a good cut spike.
PANTHON (Plain Petaled). Large waxy white; lower petals beautifully penciled and feathered purple-red. Very good grower.
PICARDY (Plain Petaled). One of the most outstanding varieties introduced in years. Florets massive of a fine color of a shrimp-pink. Most valuable for cutting and exhibition purposes.
PINK FAVORITE (Plain Petaled). Very beautiful rose-pink, with deep red median lines in throat. Six and more large massive blooms open at a time.
ROMANCE (Plain Petaled). Large, orange-salmon, rose, red and yellow throat. Wine-blue bordered petals. Here is a combination of colors that is hard to beat. A fine smoky variety. Unusual.
ROSE JEWEL (Plain Petaled). Rose-pink; narrow white border; pronounced dark rose-red throat. This gladiolus was particularly outstanding.

In our fields the past summer and attracted a great deal of attention. Good for cutting.
ROYAL PURPLE (Plain Petaled). QUARTINIANS HYBRID, which means a strong growing plant with large massive blooms. Rich deep purple color with a slightly red cast. Spike tall and slender.
SAFFRON KING (Prim. Grand). Rich saffron, orange, beautifully flaked deeper orange; clear, rich golden-orange throat blotches.
STAR LILY (Ruffled). Giant flowers of a deep sulphur-yellow; lower petals a little deeper yellow, without any other coloring or markings.
T. A. WESTON (Plain Petaled). Flowers very well placed and very pleasing. First deep salmon-pink. Throat soft creamy white. 6 to 8 florets open. A lovely flower in every way.
VERMILION (Plain Petaled). Beautiful deep orange or vermillion-scarlet flower. Large, pure white throat blotch with faint suffusion of soft canary-yellow on outer portions. Good bi-color.
VIOLET GEM (Plain Petaled). Soft, mellow purple with velvety red throat. Outstanding variety in this color class.
